**St Andrew's Hospice**, Henderson Street, Airdrie ML6 6DJ Tel: 01236 766951 offer the following

### **St Andrew's Day Hospice**

St Andrews Day Hospice provides holistic care for people in Lanarkshire who have a progressive life limiting illness and who require palliative care. Our aim is to improve the patient's quality of life by providing specialist medical and nursing care in a safe and welcoming environment. We have a specialist range of support services, including spiritual care. We also offer help and support to our patients' families and carers.  
email: [daycare@st-andrews-hospice.com](mailto:daycare@st-andrews-hospice.com)

### **St Andrew's Care at Home**

St Andrew's Hospice Care at Home offers a palliative care service providing support and advice to patients and their carers, enabling patients requiring end of life care to remain at home. Care is provided by experienced nursing staff.
